However, Parish Councillors would like to be reassured that the cited % increase in size which is being proposed over the original footprint has taken into account the partly-glazed extension to the dining room. This was built onto the rear of the property in 2009.

Also, if permission is granted, the Parish Council firmly requests please that all builders' vehicles are parked within the property boundary and not on Mill Lane, nor in the nearby passing place. It is considered that any vehicles so parked would greatly inconvenience other road users and may pose a hazard.

Single storey rear extension and alterations to entrance and existing porch

No objection
