

MEETING OF HAWKLEY PARISH COUNCIL PLANNING ADVISORY COMMITTEE

WEDNESDAY 6TH OCTOBER @ 6:30PM. Via Zoom

Present: Cllr G Brighton (Chair), Cllr J Humphrey and Cllr S Sinclair

Also present: Katherine Horton (Clerk to Parish Council) and 1 member of the public

Minutes

1. **Apologies** received and accepted from Cllr D Large.
2. **Declarations of Interest.** Item 4c. Cllr G Brighton and Cllr S Sinclair are both Members of the Empshott Hut Committee
3. **Representations from members of the public.** None made
4. **Planning Application(s):**
 - a. **SDNP/21/04361/HOUS** Wisteria Cottage, 11 Upper Green, The Hollow, Hawkley, Liss, Hampshire, GU33 6NA
Proposal: Two storey extension to side
Site visited prior to meeting. Cllrs were in agreement the siting is not obtrusive. No objection to application.
 - b. **SDNP/21/04545/FUL** Home Farm, The Woodshed, Mill Lane, Hawkley, Liss, GU33 6NU
Proposal: Extension to provide utility/wash down area, wet room and small spare room. Insertion of 2 windows and change to entrance.
Site visited prior to meeting. Cllrs were in agreement that proposed extension is not immediately visible and application makes use of the available space. No objection to application
 - c. **SDNP/21/04905/TEL** Church Lane, Empshott, Liss, Hampshire
Proposal: Prior under Regulation 5 - Installation of 1 Pole
Cllrs noted that the roadway in Church Lane is at its narrowest, less than 3 metres wide, at the spot proposed for the siting of the pole. The narrow road does not currently allow two vehicles to pass and Cllrs were in agreement that siting the pole at this location will create a hazard by causing access and visibility issues for delivery and farming vehicles that regularly use the road. **Hawkley Parish Council will note an objection to the application in its current format.**
Cllrs noted that the existing application already requires a trench to be dug and propose that a safer option would be for this trench to be extended allowing the cabling to be installed underground to reach the connection point at The Hut.

Meeting Closed:18:46
